PURPOSE/BACKGROUND:

On October 18, 2007, the City advertised availability of \$237,690 in reprogrammed HOPWA funds to non-profit agencies with existing projects. On November 20, 2007, a technical committee consisting of City staff met to review, score, and recommend projects for funding. All funds must be spent by June 30, 2008. HUD allows a maximum of 3 years to spend HOPWA funds. Non-profit agencies will provide housing and supportive services for persons with HIV/AIDS and their families located within Clark County. Due to HOPWA confidentiality regulations, locations of projects are not released.
